

# CHRONOS AFFINITY PRE-ALPHA PLAY TEST USER AGREEMENT

## 1. Overview

Thank you for your interest in participating in the Chronos Affinity Pre-Alpha Closed Play Test. This early testing phase is designed to gather meaningful gameplay feedback, identify issues, and help shape the future of the game. Because this is a limited, one-week testing window with a small number of available slots, we ask all applicants to read and agree to the following terms before submitting their application.

## 2. Eligibility Requirements

By applying, you confirm that:

- You are 18 years of age or older.
- You agree to provide your full legal name, date of birth, and active phone number as part of the application process.
- You have joined the official Chronos Affinity Discord server, which will serve as the primary communication hub for announcements, instructions, and support during the play test.
- You can commit dedicated time during the one-week testing window to actively play, test, and provide feedback.
- You understand that slots are limited, and submitting an application does not guarantee selection.

## 3. Participation Expectations

If selected, you agree to:

- Actively participate in the play test during the scheduled one-week window.
- Follow all instructions provided by GP Creative Studios, including setup steps, testing tasks, and reporting procedures.
- Submit recorded gameplay footage through the official online submission portal.

- Provide honest, constructive feedback through surveys, forms, or direct communication channels.
- Report bugs, issues, or unexpected behavior in a timely and detailed manner.

#### 4. Confidentiality & Non-Disclosure

Because this is a closed pre-alpha test, all participants agree to the following:

- You will not share, post, stream, upload, or distribute any gameplay footage, screenshots, audio, or written information related to the play test outside of the official submission portal.
- You will not discuss unreleased content, mechanics, story elements, or internal development details publicly or with individuals not participating in the test.
- All materials, builds, assets, and information provided to you remain the exclusive property of GP Creative Studios.

#### 5. Gameplay Recording Requirement

All selected testers must:

- Record gameplay sessions using any reliable screen-capture tool.
- Ensure recordings include gameplay, UI interactions, and any bugs or unexpected behavior encountered.
- Upload recordings to the official submission portal before the deadline provided.
- Understand that recordings are used solely for development, debugging, and internal review.

#### 6. Technical Requirements

By participating, you acknowledge that:

- The pre-alpha build may contain bugs, incomplete features, placeholder assets, or performance issues.
- You will not attempt to modify, decompile, or reverse-engineer the game client.

- You will maintain the confidentiality of any login credentials, launcher access, or test-specific tools provided.

## 7. Removal or Revocation

GP Creative Studios reserves the right to remove any participant from the play test if:

- They violate confidentiality rules.
- They fail to participate or submit required materials.
- They engage in harassment, abuse, or disruptive behavior within the Discord server or testing environment.
- They misuse or attempt to distribute the pre-alpha build.

## 8. Acceptance of Terms

By submitting your application, you acknowledge that:

- You have read and understood this agreement.
- You agree to all terms listed above.
- You understand that participation is voluntary and not guaranteed.
- You understand that this agreement applies only to the Chronos Affinity Pre-Alpha Closed Play Test.
